

PRIVIA KINDERWAGEN UND ADAPTER TYPENLISTE PRIVIA STROLLER AND ADAPTER TYPE LIST

DE - RECARO hat die Passgenauigkeit der Babyschale Privia in Bezug auf die Adapter und Kinderwagen getestet. Die durchgeführten Tests beinhalten insbesondere die Kriterien Montage, Verriegelung und Standfestigkeit. Wir weisen darauf hin, dass RECARO keine darüber hinausgehenden Tests mit der auf dem jeweiligen Kinderwagen montierten Babyschale durchgeführt hat.

Diese Liste enthält Kinderwagen, die von uns auf Passgenauigkeit getestet wurden. Sollte Ihr Modell nicht enthalten sein, wenden Sie sich bitte an unser Team (info@recaro-cs.com). Gerne führen wir entsprechende Tests durch und ergänzen die Liste.

EN - RECARO tested the accuracy of the fit of our infant carrier, Privia, to some of the most popular stroller brands. The testing was concentrated to installation, locking and stability. Please note that RECARO did not perform any further testing with the Privia mounted on the selected strollers.

This list contains strollers that have been tested according to the aforementioned criteria. If your model is not included please contact our team at info@recaro-cs.com We will be glad to carry out the appropriate tests and add the results to the list.
